The Glass Castle- Walls Some Concerns- Adult and child molestation & sex. Normalizes pedophilia

(Grandma molests grandchild)...."They'd been gone for a minute or two when I heard Brian weakly protesting. I went into Grandpa's bedroom and saw Erma kneeling on the floor in front of Brian, grabbing at the crotch of his pants, squeezing and kneading while mumbling to herself and telling Brian to hold still, goddammit. Brian, his cheeks wet with tears, was holding his hands protectively between his legs. "Erma, you leave him alone!" I shouted. Erma, still on her knees, twisted around and glared at me. "Why, you little bitch!" she said. Lori heard the commotion and came running. I told Lori that Erma was touching Brian in a way she ought not to be." Ch. 33, Pg. 461

"Mom, Uncle Stanley is behaving inappropriately," I said. "Oh, you're probably imagining it," she said. "He groped me! And he's wanking off!" Mom cocked her head and looked concerned. "Poor Stanley," she said. "He's so lonely." "But it was gross!" Mom asked me if I was okay. I shrugged and nodded. "Well, there you go," she said. She said that sexual assault was a crime of perception. "If you don't think you're hurt, then you aren't," she said." Ch. 41
