Dear Mrs. Steinfeldt:

The matter with the Shell Oil Company regarding the Ellis County, Oklahoma, property has been completed, and I enclose the following:

1. Oil and Gas Lease dated May 2, 1966, signed by yourself and the Shell Oil Company;
2. Rental Division Order dated June 1, 1966, and
3. My letter to the Tax Assessor of Ellis County which contains his answer at the bottom of the letter that no tax is levied on mineral rights by the State of Oklahoma.

You received a copy of the Shell Oil Company letter, dated June 23, 1966, in which they stated that payment has been made on the Lease dated June 22, 1966.

This brings matters up-to-date, and my charge for services is the sum of \$50.00.

Yours very truly
