Dear Richard: Re: Estate of Ruby M. Steinfeldt.

Enclosed herewith for your signature are three division orders which I received from the Shell Oil Company.

Please sign the three division orders opposite your initials on the line marked with a red "x", and verify your social security number as it appears on the paper.

The three copies are attached together and you may keep them for your file.

There will be a number of these different orders and they will follow the same general pattern.

Return the signed documents to this office in the self-addressed envelope.

Yours very truly

Encs.

A handwritten signature in dark ink, appearing to read "Paul A. Eymann", is written over the typed name "PAE:ah". The signature is fluid and cursive, with a large initial "P" and "A".
