RE: CHAMPLIN FARM NO. 80320

SUN PROPERTY, DIVISION ORDER NO. 967339

Dear Interest Owner:

Sun Refining and Marketing Company has begun purchasing the production from the captioned property. The enclosed Division Order represents the manner in which Champlin credited your interest on their records.

In order for us to continue to keep those interests in a pay status that were in a pay status on Champlin records, the enclosed Confirming Division Order must be properly executed and returned. Proper execution means that the individual owner's signature must be witnessed by a disinterested person not related to the owner. A corporation must have the signature of the Corporate Officer and the Corporate Seal impressed over the signature of the attesting officer.

If there is a change in your interest, please submit documents such as recorded Mineral Deed Assignments, Final Decrees, etc. to this office.

Instruments must be received in our office by the 20th of the month for checks to be issued the following month.

The early return of the Division Order will be greatly appreciated.

Yours very truly,

  
John P. Flaherty
