Dear Interest Owner:

Phillips 66 Natural Gas Company (now GPM Gas Corporation) is, and has for many years, been the gas purchaser for the Wehlu Unit. As such, we paid 100% of the proceeds from the above lease to the former lease operator, Parker & Parsley for their distribution to the royalty owners.

Wehlu Producers, Inc. now owns the bulk of the working interest in the Wehlu Unit, is lease operator for most of the leases, as well as the new unit operator. They have asked that GPM disburse all the gas proceeds directly to the owners on their behalf.

We enclose our division order which we prepared based on the Parker & Parsley ownership listing from which they disbursed. Please sign and return one copy to us so that we can place your account in active status.

Sincerely,

Mary Kreigh
